

## Telios Law Excelsior Scholarship Application Form

**About Telios Law:** Founded in 2012 by Theresa Sidebotham, Telios Law PLLC takes its name from the Greek word *telios*, which means "complete, perfect, or whole." Telios Law approaches legal services by considering how we can bring wholeness, completeness, or maturity to ministries, businesses, and individuals. This frequently involves representing them in litigation, appeals, and alternatives to litigation, as well as giving legal advice on a variety of issues.

**About the Telios Law Excelsior Scholarship:** This is a merit-based scholarship award of \$1,000 per year, renewable for up to four years. The scholarship was inspired by Theresa's experiences raising her four sons, attending law school, and founding Telios Law in Colorado. It is open to any high school student or recent high school graduate who is a Colorado resident and will be enrolled full-time for the 2018-2019 school year as a freshman or sophomore at a college or university that has an emphasis on spiritual formation in the Christian faith.
